

Scope of Work

This UPRR and Reach 7 Relief Well Enclosure Modification Project is located in Sutter County, California. The UPRR relief wells are located along the east side of Live Oak Blvd, south of the intersection of Live Oak Blvd and Pease Road, in Yuba City. The Reach 7 relief wells are located along the Feather River West Levee, north of Star Bend Road and east of Garden Highway. The project scope of work includes clearing, grubbing, minor earthwork, removing and reinstalling manhole frame and lid, placing rebar, and forming and placing concrete as shown on Attachment F -UPRR and Reach 7 Relief Well Enclosure Modifications Plans.

Coordination and cooperation with the Agency is required in order to access the site and complete the work.

The bid package consists of six attachments (Attachments A through F). Attachments A through F have been provided via email.

General Engineering Contractor (A License) is required. Hazardous Materials work requires appropriate certificates.

- Non-mandatory on-site pre-bid conference (at the Reach 7 Site location near Star Bend Road as shown on Sheet G-002 of Attachment F): July 9, 2024 at 9:00 A.M.
- End of question period: July 18, 2024 at 5:00 P.M.
- Bid due date: July 25, 2024 at 2:00 P.M.
- Anticipated Notice to Proceed: by August 28, 2024.
- Completion of all work: October 16, 2024.
